*Sustain-a-Tree at the
Dolores Community Heritage
Orchard, Dolores CO*

~ **Business Sustain-a-Tree Members** ~
We thank all the businesses featured in this calendar whose generous sponsorship of \$300 or more helps provide the roots and stability to MORP's preservation work. Both business and individual sustaining members sponsor real-life trees growing at the Dolores Community Heritage Orchard and the Gold Medal Orchard in McElmo Canyon. MORP will send you a link to your sponsored tree that includes variety, description, & location. See www.montezumaorchard.org

~ **Individual Sustain-a-Tree Members** ~
When you become a Sustain-a-Tree member, you join a dedicated group of people reaching out each month to preserve Colorado's fruit growing heritage. Together we are the sustaining-core keeping Colorado orchard country. We invite you to join this special group by making a sustaining monthly donation of \$10 or more. See the Join Us page at the MORP website. We thank you.
